

Dear Licensing Student:

Thank you for registering for a Hilda Tucker Insurance School licensing course! Books must be purchased prior to class. Listed below are required books for licensing classes and links for purchasing.

Pre-licensing - General Lines, Personal Lines, Adjuster, Review/Crash and Conversion Courses

1. Stateprep - General Lines/Personal Lines Exam Prep Workbook: (see note¹)
<http://www.stateprep.com/book-store/>

AND

2. State study manual from the FAIA <https://www.faiams.com/Forms/StudyManualOrder.aspx>

Pre-licensing – Health, Life and Annuities Course(s)

1. State study manual from the NAIFA <http://naifa-florida.org/study-manual/>
2. Stateprep - Health, Life and Annuities Exam Prep Workbook is recommended
<http://www.stateprep.com/book-store/> (see note¹)

It might also be helpful to use test preparation software and flash cards (see note¹) to improve your chances of passing the first time you take your state exam. Links are included below.

1. Test Preparation Software (All Licenses)
<http://www.stateprep.com/>
2. Stateprep - Flash cards
<http://www.stateprep.com/book-store/>

Thank you,

Hilda Tucker Insurance School

¹ Note: The Stateprep materials and workbooks are protected by and fall within the U.S. Copyright laws. If you purchase study aids from other sources (other than the required state study manuals), while they may be useful, they are not used or allowed in class. Please do not bring any other source's materials to class with you.
